Reggae Goes to the Dogs, Raises \$11,000

SAN DIEGO, Calif. – More than 350 people and dozens of dogs flocked to the [Greyhound Adoption Center](#) (GAC) on Sunday June 23rd to enjoy the region's best Reggae bands while raising \$11,000 to help the hounds. All proceeds of the Reggae Festival go towards feeding, bathing, exercising and transporting the hounds.

Reggae Goes to the Dogs, the first Reggae festival to kick off summer in San Diego, was a great success featuring five of California's hottest Reggae bands

entertaining an enthusiastic crowd that enjoyed gourmet food trucks, shaved ice, a beer garden and plenty of games for dogs and people.

“We had a perfect summer day to kick off the only music festival open to families and their well-behaved dogs,” said GAC founder Darren Rigg. All afternoon people danced to the beat of Product, Chocolate Revolution, Reeform, Soul Malady, and Hourglass Cats while volunteers were helping to find homes for our retired racing greyhounds. At day’s end, a dozen prospective adopters had signed up.

A big shout out to the dozens of volunteers who helped make this GAC event one of the biggest and the best ever!

GAC rescues racing greyhounds from tracks across the U.S., helping 5,700 dogs find their forever homes in the past 26 years. With more than 40 dogs currently housed at its El Cajon kennel near San Diego, GAC is one of the largest greyhound rescue efforts in the country with a network of 100+ volunteers caring for the dogs that often arrive with severe racing injuries.
